

# WINE LIST

## INTRODUCTION

The aim of our list is to offer a good selection of well-made interesting and affordable wines that will complement Tom Kemble's food. Many of the wines have come from our regular sales here in New Bond Street and we are constantly on the look out to buy in one-off parcels of exciting and rarely available wines to feature. These can be served by the glass or 50cl carafe thanks to the two Enomatic machines we have installed and we hope you will take this chance to try some legendary wines.

The list has been put together by Master of Wine Richard Harvey, who heads Bonhams International Wine Department and Charlotte Logan-Jones, our sommelier

## HOUSE WINES

Domaine Saint-Amant is a small vineyard in the Southern Rhône valley, perched above the village of Suzette at an altitude of 500m, with views of Mont Ventoux to the east and the jagged peaks of the Dentelles de Montmirail to the south.

La Borry is made from 95% Viognier and 5% Roussanne, without undergoing malolactic fermentation. This, combined with the height of the vineyard, ensures that the wine is fresh, aromatic and delicate.

Les Clapas is produced from 50% Syrah and 50% Grenache with spicy red fruit flavours and a vibrancy making it very appealing and all too easy to drink!
